

## Just For Fun

This program will not make you a millionaire in two weeks or put two thousand dollars in your mailbox in five days. This program is for those of us who want to make a little extra money to fill up our gas tank, take a nice vacation or supplement our retirement.

It's not gifting. It is people helping people and having lots of fun doing it. We are inviting you to join us so that everybody gets a chance to make some money without robbing your piggybank. The cost is low you invest just twenty dollars-less than a meal for two at Cracker Barrel.

We also offer a great product-a special report that will cut your mailing costs in half.

### Here's how it Works

You send ten dollars to the two names listed below with a note which says just for fun add me to your mailing list. Then remove the name in the second position and add your name. We send the info and you collect the money. Please send cash or money order. There is no monitor and all monies come directly to you. We ask that you begin your business with honesty as cheaters receive their own reward. Get started today and just for fun let us **Show you the Money.**
