Congratulations! You could be among the lucky few who will soon have their lives changed forever! I am very excited to announce that the Home Mailing Connection, a reputable mail-order company based in Colorado, is looking for home-workers to help them mail their offers out to millions of people, who they could never possibly reach working alone! People of every age and gender, with no previous experience or any special skills at all, report earning up to \$1,500 every day, working as "Associates of the Home Mailing Connection", under the expert guidance of this successful company! What is so great, is that their associates happily inform them that they only choose to work a few easy hours a day, but yet they generate this tremendous extra cash flow, month after month!

On top of the \$1,500 guarantee, once the Home Mailing Connection receives the first 50 envelopes that you have stuffed, your full purchase price of \$26 will be **REFUNDED IN DOUBLE**. That's right, once you have put in a small amount of work, and they receive only 50 stuffed envelopes from you, you will be sent a check for \$52, which essentially

pays you a 100% return on your original investment. They are sure that by giving you this incredible offer, it will help to motivate you even further to get right to work!! This is because they sincerely want you to achieve financial freedom, it's as **SIMPLE AS THAT!!**

You are probably thinking that this offer just sounds way too good to be true. I cannot stress this enough: **DO NOT LET FEAR AND DOUBT DRIVE YOU AWAY FROM THIS OPPORTUNITY!!** This program is 100% LEGITIMATE, and 100% GUARANTEED. You will receive \$4.00 in U.S. funds for every envelope you stuff, and you will get an unheard of, locked-in commission rate of 80% for every sale your mailed envelopes make. If you use this program, and you find that it does not contain everything we have promised, you may send back your startup kit within one full year and receive a check made out to you for \$1,500.

We regret to inform you that there is a good chance you could miss out on this incredible opportunity, if you hesitate, or procrastinate in mailing your order. Once the set limit for associates is reached, **THIS OFFER WILL BE WITHDRAWN IMMEDIATELY**. We are sorry to say that once this happens, a lot of people will miss out on what is likely the best opportunity of their lifetime. We urge you to act quickly so this doesn't happen to you, however on the unfortunate occasion that it does, your order and money will be promptly sent back to you.

*"I can't give enough praise to the Home Mailing Connection. I only stuff envelopes for about an hour or so in my spare time everyday, and I am currently making enough money to pay for my 5 bedroom house, my new BMW M5, and I have plenty of money left over to invest! I just wish I had found this opportunity much sooner in my life!"*

*-Geoff Brown, Scottsdale, AZ*

*"We had never seen a program that sounded this great, and of course we were very skeptical at first, but now it has become the most valuable thing we ever purchased! Thanks to this program, we are putting our 2 kids through college, and putting more money away for retirement than we ever dreamed possible!"*

*-Brianna Rowland, Riverside, CA*

Unlike similar programs that you may find advertisements for, Home Mailing Connection's incredible home-mailing program is guaranteed to make you the kind of money they are promising (at least an easy \$1,500 a day), or they will personally mail you a check for \$1,500. **THAT'S RIGHT**, by using this program, if you do not make the kind of money this company is promising, then they will mail you a check for \$1,500 **JUST FOR TRYING** the program. We know that you must be thinking something like this: "Why would they offer a guarantee like that? This either can't be true, or this company has gone insane!!". Well, this successful, and rapidly expanding company is most definitely not insane. This totally unheard of guarantee is offered because they are absolutely 100% sure that you will be delighted with the program. They know that the last thing you would ever want to do, is return the program and lose your amazingly lucrative, and valuable position as their associate.

Do not be scammed by other companies that claim they will show you how to make large amounts of money, but never even tell you exactly what you will be doing! I have done huge amounts of research and testing, and you can be assured that this money making program is the **ABSOLUTE BEST AVAILABLE**.

Just think about this for a second, how long would it take you to put a stamp on an envelope, write 2 addresses on it, and stuff one piece of paper inside? **HOW MANY TIMES COULD YOU DO THIS IN ONE HOUR ALONE?!** Your income potential is absolutely mind-blowing. If you stuff just 20 envelopes an hour, that means you're making \$80.00 an hour, 40 envelopes means \$160.00 an hour, how hard you choose to work is up to you! Some associates report stuffing over 100 envelopes an hour! The greatest satisfaction this company gets from giving people this opportunity to make incredible amounts of money, is the letters they receive from people all around the country explaining how they've drastically changed their lives for the better.

For you to achieve the kind of financial freedom that is enjoyed by Home Mailing Connection's current associates, they charge a small one-time startup fee of \$26.00, which includes all applicable S&H fees, for you to secure your own associate position. Is that a fair price to pay to know that you will never worry about paying your bills again? I most certainly think so, and I'm sure you will as well.
