homeownership Grants

The biggest obstacle to owning a home is the down payment and closing costs. That obstacle is removed when you finance your home with us. We have combined use of government insured financing with homeownership grants. A homeownership grant provides gift funds toward the purchase of your home equal to 2.25% of the sales price. These gift funds do not have to be repaid. Call us at 718-964-0949.
