How to Make At Least \$150 an Hour (But Probably More) In Your Spare-Time From Home!

Latest Carpet Cleaning Breakthrough Offers Uncommon Income Opportunities To Full or Part Time Affiliates

Ever hear of DRY-TECH? If not you're in for some business revelations that could change your life. They introduced a carpet and upholstery cleaning system that's so advanced, it makes existing methods obsolete.

What does this mean to you? Plenty!! It could mean BIG BUCKS in the near future. When this revolutionary method receives widespread exposure in the marketplace, it will create a service demand unlike anything seen in the carpet cleaning business in decades. You'll find out why a little later but first lets talk about you.

Looking For a Lucrative Home Business?

No need to look any further. DRY-TECH is offering high profit dealerships to meet the unprecedented demand for this new and exciting breakthrough. If you are qualified, they will supply you with all the equipment, supplies, promotional materials and one-on-one guidance needed to make at least \$150 an hour cleaning carpets and upholstery.

This is not a franchise deal so there will be no heavy investment or kickback royalties involved. In fact, the miniscule monies involved on your part are fully guaranteed! It's as simple as this ... if you become one of DRY-TECH's dealers, they will refund every cent you paid - if you fail to make a significant income or decide to drop out. Can you think of any franchise or business opportunity that guarantees your success? DRY-TECH can because we have proof! We have testimonials from enthusiastic dealers who are literally astounded with how fast and easy it is to make money in this business. You'll be able to read their statements for yourself before you make any decision.

What's so Hot About This Business?

First we'll talk about the revolutionary new cleaning system DRY-TECH has developed. Then we'll talk about how easy it is to operate this business right from your home or apartment.

After 5 years of research and testing, DRY-TECH developed the most effective and efficient method of cleaning carpets and upholstery known to the industry. They've done independent comparisons with traditional methods and outperformed them all. DRY-TECH's patented "dry formula" effectively lifts stains and thoroughly cleans the fabric - right down to the fiber roots. It removes smudges, smears, spots and stains almost like magic. It deep cleans and restores carpets and upholstery to a brilliant new, showroom appearance. It leaves carpets spotless and plush feeling.

Once more, they will be "walk-on" dry within an hour. If you ever had your carpets shampooed, you know it sometimes takes days to fully dry. This is a major benefit for businesses because it means their showrooms and customer walk areas never have to be closed off. Of course it's a major benefit to homeowners and apartment dwellers too because no one likes to tiptoe around on wet or damp carpets. The chemicals used in the cleaning process are environmentally safe and leave absolutely no sticky residue to attract dirt. This means carpets stay cleaner, longer.

Your Job as an Independent DRY-TECH Affiliate

This is the best part of all as far as you're concerned. First the money. You can literally make as much as you want. \$150 bucks an hour is the average for most jobs. Just do the math. Work 5 hours a week and make \$750... 10 hours \$1500...20 hours \$3000, etc. If you have multiple jobs backed up, just hire operators for \$15.00 or \$20.00 an hour to do the work. You still make a huge profit of \$130 to \$135 an hour to add to your weekly income.

The work itself may sound laborious. IT ISN'T! The hi-tech machines you'll be using are lightweight and compact. They will easily fit in the trunk of standard sized vehicles. The machines are also very maneuverable so furniture moving will be minimal. Women as well as men can easily do the work. Some of DRY-TECH's best cleaning technicians are women.
